Workshop on Page 1 of 4

Workshop on "Development of a Regional Research Program on Grouper Virus Transmission and Vaccine Development" under APEC FWG 02/2000

NACA Headquarters, Bangkok, Thailand 18-20 October 2000

Programme		
8		
15 October 2000, (Sunday)	Arrival of Participants	
16-17 October, 2000	Preparation of economy reviews by survey	
(Monday-Tuesday)	participants	
17 October, 2000 (Tuesday)	Arrival of Workshop Participants	
18 October, 2000 (Wednesday)		
0830-0930	Registration and Opening Ceremony	
	Welcome speeches and opening remarks from:	
	AAHRI : <i>Dr. Somkiat Kanchanakhan</i> , Project	
	Overseer	
	FHS-AFS: Dr. Supranee Chinabut, Project	
	Team Leader, Chairperson, FHS-AFS, Director of	
	AAHRI	
	Department of Fisheries: Dr. Maitree	
	Duangsawasdi, Deputy Director General	
	NACA: Mr. Hassanai Kongkeo, NACA	
	Coordinator	
0930-1000	Background, Objectives, Expected Outcomes	
	and Workshop Mechanics - Dr. Melba B.	
1000 1020	Reantaso, FHS-AFS Secretary/Treasurer (NACA)	
1000-1030	Coffee Break	
	Session Ia: Presentation of Grouper Disease	
	Impact Survey	
1030-1050	Indonesia (Ms. Erna Dewi, Provincial Fisheries	
	Service, Medan, Indonesia)	
1050-1110	Korea RO (<i>Dr. Myoung Ae Park</i> , National	
	Fisheries Development Research Institute, South	
	Sea Fisheries Research Institute)	
1110-1130	Malaysia (Mr. Chuah Toh Tye, National Fish	
	Health Research Center, Fisheries Research	
	Institute, Penang, Malaysia	
1130-1150	Philippines (Dr. Sonia S. Somga, Philippine	
	Bureau of Fisheries and Aquatic Resources,	
	Department of Agriculture)	

Workshop on Page 2 of 4

Service Center, Guanzhou, China PR) 1430-1450 Chinese Taipei (Dr. Shau-Chi Chi, Department of Zoology, National Taiwan University) 1450-1520 Coffee Break 1520-1540 Hong Kong China (Dr. Roger Chong, Agriculture, Fisheries and Conservation Department) Singapore (Dr. Chang Siow Foong, Agri-Food and Veterinary Authority (AVA) of Singapore) Regional Synthesis of Grouper Health Impact Survey (Dr. Supranee Chinabut, FHS/AFS and AAHRI) 1630-1730 Discussion 19 October 2000 (Thursday) 0830-0900 Parasites and Bacterial Diseases of Marine Finfishes (Dr. Leong Tak Seng, Private Consultant, Malaysia) 0900-0930 Recent Development on Rapid Identification of Viral Diseases of Grouper (Dr. Toshihiro Nakai, Hiroshima University, Japan) 0930-1000 Viral Nervous Necrosis in	1150-1210	Thailand (Mr. Somporn Roungkamneardvong,
University of Fisheries and Mrs. Phan Thi Van, Research Institute for Aquaculture No. 1) 1230-1330 Lunch Session Ib: Country Presentations 1330-1350 Australia (Dr. John Humphrey, Department of Primary Industry and Fisheries, Darwin, Northern Territory) 1350-1410 Brunei Darussalam (Mrs. Hajah Laila Haji Hamid, Department of Fisheries, Ministry of Industry and Primary Resources) 1410-1430 China PR (Mr. Zhang Haifa, Guangdong Fishery Service Center, Guanzhou, China PR) 1430-1450 Chinese Taipei (Dr. Shau-Chi Chi, Department of Zoology, National Taiwan University) 1450-1520 Coffee Break 1520-1540 Hong Kong China (Dr. Roger Chong, Agriculture, Fisheries and Conservation Department) 1540-1600 Singapore (Dr. Chang Siow Foong, Agri-Food and Veterinary Authority (AVA) of Singapore) Regional Synthesis of Grouper Health Impact Survey (Dr. Supranee Chinabut, FHS/AFS and AAHRI) 1630-1730 Discussion 19 October 2000 (Thursday) 0830-0900 Parasites and Bacterial Diseases of Marine Finfishes (Dr. Leong Tak Seng, Private Consultant, Malaysia) 0900-0930 Recent Development on Rapid Identification of Viral Diseases of Grouper (Dr. Toshihiro Nakai, Hiroshima University, Japan) Viral Nervous Necrosis in	1010 1000	• • • • • • • • • • • • • • • • • • • •

Workshop on Page 3 of 4

1000-1015	Coffee Break
1015-1045	Antigenic Structure and
	Transmission Cycles of Nodaviruses
	and Iridoviruses Infecting Fish (Dr.
	Peter Walker, Commonwealth
	Scientific Industrial Research
	Organization, Australia)
1045-1115	Immunological Methods to Disease
	Control (Dr. Somsak Vinitnantharat,
	ALPHARMA, USA)
1115-1145	Vaccine Development and Potential
	for Disease Control (Mr. Stuart
	Millar, Institute of Aquaculture,
	Stirling University)
1145-1215	Import Risk Analysis in Minimising
	Trans-boundary Movement of
	Infectious Disease Agents (<i>Dr. Ian</i>
	Peebles, Australian Quarantine
	Inspection Service (AQIS)
1215-1230	Update on APEC FWG
	"Development of a Grouper Health
	Manual" (Dr. Erlinda Lacierda,
	Southeast Asian Fisheries
	Development Center-Aquaculture
	Department (SEAFDEC-AQD)
1230-1330	Lunch Break
1330-1730	Session III: Workshop Discussions
	Group I: Research Needs on:
	 Development of suitable cell
	lines for grouper viral isolation
	 Development of techniques for
	grouper viral identification and
	diagnosis
	Development of protocols for
	grouper viral disease induction
	and investigation on modes of
	transmission
	Prevention and control of viral
	and other diseases affecting
	grouper

Workshop on Page 4 of 4

	Group II: Strategies to minimize risks
	of pathogen transfer through
	responsible movement of live aquatic
	animals (IRA, diagnostics, disease
	\ ' ' ' ' ' ' ' ' ' ' ' ' ' ' ' ' ' ' '
	reporting, emergency responses,

20 October 2000 (Friday)	C 1 D () 1 1' '
0830-0930	Group 1 Presentation and discussion
0930-1030	Group II Presentation and discussion
1030-1100	Coffee Break
1100-1230	Group III (plenary session): Funding
	options, responsibilities of different
	cooperating agencies, linkages with
	other on-going projects, framework of
	the regional programme
1230-1330	Lunch Break
1330-1500	Continue Group III discussion
1500-1530	Coffee Break
1530-1630	Summary of Recommendations
1800-	Closing Ceremony
	APEC: Mr. Glenn Hurry, Assistant
	Director, Agriculture, Fisheries and
	Forestry of Australia (AFFA)
	Department of Fisheries : Dr.
	Kamonporn Tonguthai, Senior
	Adviser, Department of Fisheries of
	Thailand
	FHS/AFS and AAHRI: Dr. Supranee
	Chinabut, Director of Aquatic Animal
	Health Research Institute and
	Chairperson, Fish Health Section-
	Asian Fisheries Society
	Farewell Dinner
21 October 2000	Departure of Participants
(Saturday)	
(Sucur day)
